

Activity
Sheet 17**Attitude poll***Learning aim B4*

Read these statements of different attitudes and consider your own opinion.
You will be asked to discuss three or four of these statements in a group and to give your views.

Different attitudes

- 1 In any family, two parents are always better than one.
- 2 Parents have the right to be consulted on all issues affecting their children.
- 3 Same-sex couples give children a distorted view of relationships.
- 4 No teenager is ready to have a baby and be a responsible parent.
- 5 Parents have the right to make decisions for their children, in accordance with their cultural or religious beliefs, even if that includes life or death.
- 6 Hitting children is always wrong.
- 7 Family life suffers when the woman has a full-time job.
- 8 Male role models are essential for boys.
- 9 Parents should strictly limit the amount of time children spend watching TV and playing computer games.
- 10 It is a parent's responsibility to be a good role model for their children concerning alcohol and drug use.
- 11 Parents should always share the responsibility of caring for their children.
- 12 Children's lives suffer if their parents get divorced.
- 13 Children are better adjusted if they have brothers and sisters.
- 14 Parents who have more money will raise their children more successfully than parents who are poor.
- 15 The children of strict parents are always better behaved.
